

# Sip, Screen & Stitch

**Friday 17th May, 6pm – 8pm, Join us in Turua Gallery**

The Colour Bar, Turua Gallery and Semplice invite you to an evening learning the creative screen printing process on your very own tote bag with renowned NZ textile designer Ingrid Anderson & Wearable Arts queen Jayne Boesley.

Your evening will start at 6pm with introduction from Ingrid & Jayne all about the magic of screen printing and stenciling using natural pigments and embroidery to embellish while being treated to a complimentary glass of bubbles & small bites from Semplice.

You will take home your very own hand printed NZ made tote bag with The Colour Bar New Zealand Bee and Air New Zealand Tui sourced from Ingrid's archive, that you will help screen print & embellish.

This is the first in a series of three sip and play evenings, with the prints changing throughout 2024. Brought to you in collaboration with Ingrid Anderson. [www.iatextiledesign.co.nz](http://www.iatextiledesign.co.nz)
